Wonderful Prehistoric Relics.

Messrs. Hunter & Wilson, of Blue Lick Springs, have on exhibition in the Ficklen store room, opposite the court house, a wonderful collection of prehistoric relics. Last October while repairing the famous spring at Lower Blue Licks they exhumed the tusks, teeth and bones of a mastodon, together with human bones of a large race of men.

They also have teeth of the mastodon, horns of the elk, teeth of other animals, and a part of a kettle used by Daniel Boone. These relics were found ten feet under ground, imbedded in pebbles and gravel which smell strongly of sulphur. An admission fee of ten cents is charged to see this wonderful collection which will prove interesting to everybody, especially students of natural history. Messrs. Hunter and Wilson will only remain in Paris a few days.

Large Matinee Party.

It is probable that one hundred Parisians will go up to Lexington to-morrow on the eleven o'clock train to attend "The Christian" matinee. Seats were placed on sale here yesterday morning and before ten o'clock George D. Mitchell had sold more than fifty. He still has some good seats left at fifty and seventy-five cents, with railroad fare at eighty cents the round-trip. This rate cannot be secured at the depot. THE NEWS unhesitatingly recommends "The Christian" as one of the very best productions now being offered, and one that is sure to please. The play will be given exactly as presented in New York and Boston, by a splendid company.

The matinee party now numbers sixty-five.

Confederate Reunion Notes.

The soldiers badge, which will be worn by veterans only, at the Louisville Reunion, May 30 to June 3, will be a shield with the head of Gen. Robert E. The souvenir badge will be a celluloid canteen with the profile of Winnie Davis, daughter of the Confederacy, on one side and the Winnie Davis rose on the other.

The attack on Fort Donelson will be represented on the Ohio river during the Reunion in Louisville.

The Women's Committee is arranging for a large reception to the women visitors.

Joe John H. Morgan Camp, No. 1198, Frisco, California, has written that it will attend the Reunion. They are coming from east and west and north and south.

If you cannot read this small print at a distance of 14 inches your eyesight is failing and should have immediate attention:

Imperial spectacles and eyeglasses have perfect lenses, always perfectly centred and made of purest material, set in frames of the highest elasticity and consequently of greatest durability, united with the utmost lightness and elegance. When both frames and lenses are scientifically fitted by Dr. C. H. Bowen's system they always give satisfaction for they are perfect. Never buy cheap spectacles, nor of men who do not know how to fit them. You will get poorly adjusted spectacles, or poor, imperfect lenses, and are better off without any glasses than with either of these defects. Buy Imperial spectacles of a reliable, skillful dealer, and they will last longer without change and be cheapest in the end.

We have engaged the services of Dr. C. H. Bowen who will visit our store on the second and last Thursdays of each month and invite all to call and have their eyes examined, for which there is no charge. Satisfaction guaranteed or money refunded.

Next visit—Thursday, March 8, 1900. Hello, 170.
